

Macomb County Board/Commission: Macomb/St. Clair Workforce Dev.

Appointing Authority: County Executive

Origin: Exec Reorg Order No. 1999-7388.995

Function: The mission of the Board is to integrate those youth and adults facing barriers to employment into the labor force by providing customer driven job training and other employability support services that will result in increased levels of employment opportunities, wage earnings, enhanced educational and occupational skills; thereby improving the quality of the workforce and enhancing the productivity and competitiveness of Macomb and St. Clair county employers and the employer base in southeast Michigan. Our commitment is to be the leader in coordinating and providing quality, comprehensive workforce development, employment and training services through collaboration with business, education and other key local government and community organizations.

Meeting Schedule: As announced.

Term: 2 yrs

Membership/Composition: Interested parties from government, business and the community.

Current Members: Contact John Bierbusse at 586.469.5220
